Robert E. Lee Elementary • 251 Baker Road • Satsuma, AL 36572

p: (251) 380-8210 • f: (251) 380-8211

To Whom It May Concern,

It is with great pride and confidence that I write this letter of recommendation for Mr. Micah Lane Sullivan, a distinguished student in the Satsuma City School System and a member of the Class of 2026 at Satsuma High School. I have had the unique privilege of knowing Micah since his earliest days in our school district--as his elementary principal--and I now serve as Superintendent of the very system where he continues to thrive. Over the years, I have watched Micah grow into an outstanding young man whose academic achievements, character, and leadership speak volumes.

Micah exemplifies the traits we hope to instill in all of our students. He is hardworking, focused, and determined to reach his goals, whether in the classroom, on the field, or within the broader school community. His academic record is impressive, with consistent success in rigorous coursework, including Advanced Placement and honors classes, all while maintaining a 4.5 GPA. Beyond academics, Micah is a dedicated athlete, participating in both football and baseball, and is an active member of several national honor societies, including National Honor Society, Science National Honor Society, and Mu Alpha Theta.

What sets Micah apart is not just his list of accomplishments, but his integrity, leadership, and commitment to excellence. He is dependable, respectful, and humble--qualities that make him not only a strong candidate for any scholarship but also a valuable asset to any college campus or community. His ability to manage a demanding schedule with grace, while staying involved in extracurriculars and upholding high academic standards, reflects an exceptional level of maturity and time management.

I can personally attest to Micah's empathy, work ethic, and leadership. Even as a young child, he demonstrated a natural sense of responsibility and care for those around him--qualities that have only deepened over the years. Today, he continues to be a positive influence among his peers and is the kind of student who leaves a lasting impact on both classmates and educators.

In conclusion, I offer my highest recommendation for Micah Lane Sullivan. I am confident that he will continue to achieve great things and represent any institution with honor. Please feel free to contact me should you require any additional insight into his many strengths and contributions.

Sincerely,

Dana Walters Price
Superintendent
