

BSRUN Members' News. 25-31 Jan 2022

University of Turku

A webinar on «Sustainable Futures. Sustainable new ways of life, business models, and social renewal for the future» was held on 25 January at UTU. The main topics for discussion were: sustainability as a source of growth, circular economy, business model transformation in health care, universities as co-creators of sustainable future, cultural sustainability, global ethics. Video recording of the webinar and presentations are available on the

website: <https://www.utu.fi/fi/ajankohtaista/uutinen/webinar-sustainable-futures-recording>.

The North-West Institute of Management of the Russian Presidential Academy of National Economy and Public Administration

Andrei Khlutkov was appointed new director of NWIM RANEPa on 24 January. Prior to that, he served as Deputy Chairman of the Committee for External Relations of St.

Petersburg, was Adviser to the Governor of St. Petersburg, supervised the Central district of the city. Vladimir Shamakhov was director of NWIM RANEPa since 2011 and left the office due to reaching the age limit for rectors of Russian universities — 70 years. Now he is appointed scientific director of NWIM.
