San Antonio Math Include

Provide Greater Access to STEM Education to All Students

Santosh A.

**Tutor
San Antonio Math Include**

Santosh is in the class of 2026 at Health Careers High School. He is a quick learner and loves learning about new things. He was inducted into the National Junior Honor Society in 2020 and likes taking part in community service activities. His favorite subjects are Math and Biology. He enjoys swimming and loves playing video games, soccer, and chess. He is excited and looks forward to tutoring other students to learn more about math.
