

SL: Spreading the "Study with Me"

Hey Jasmine,

The majority of people drop out of universities just because they can't get a grip of daily learning schedules.

You bring quick hacks to help them which is rare and valuable.

Below you'll find content to help you spread the message and increase the clicks on your book on Quatro.

After reading it, tell me if you "hear" your voice saying those words.

Regards,
Kacper
