

COVID-19 Cleaning and Disinfecting Log Sheet

Location: Door Handles

- New York State (NYS) requires regular cleaning and disinfection at least every day, and more frequent cleaning and disinfection of shared objects (such as tools), frequently touched surfaces, and high transit areas, such as restrooms and common areas.
- Examples of high-touch surfaces and objects include meeting tables, chair armrests, doorknobs, cabinet pulls, refrigerator door handles, faucets, toilets and light switches.
- Please review the Center for Disease Control (CDC's) guidance on cleaning and disinfection.
- Cleaning and disinfection must be performed with products identified by and registered with the Environmental Protection Agency (EPA) as effective against COVID-19.
- To find a list of products that meet the EPA's criteria, use their interactive tool.

Date	Time	Type of Cleaning Regular (R) or High Touch (T)	Staff Responsible for Cleaning	Staff Signature	Notes	Manager Initials
