Hi's Eye (our weekly print newspaper) and *Optic Magazine* (our quarterly print magazine) are back again this year! *Hi's Eye* is going into its 91st year of print and *Optic Magazine* is going into its 6th year of print. Both publications have garnered significant national awards and continue to put forth first-rate journalism.

However, we cannot follow through on our promise to deliver you the news without your support. Please see the next page for more information on subscriptions and pricing. With rising costs in printing and paper, our ability to deliver the news continues to be difficult. As always, we appreciate any and all **donations** as we are independent publications and do not receive any school-affiliated funding.

Whichever option you prefer, just fill out the attached form and submit it with cash or a **check made out to *Westfield High School***. We welcome all new subscribers and thank our loyal readers and subscribers for your continued support. If you have any questions, please feel free to contact us at hiseywestfield@gmail.com or opticismagazineWHS@gmail.com
