ART DIRECTION:

Please match the style of the designs! This map is loosely based on the artstyle of Omori (I have not played it yet but I love the artstyle) . I don't mind if they are sorta in your style, I am just focusing more on the eyes and the expressions.

If anyone needs an expressions sheet as a reference, contact me!

RULES:

Discord is required! We need to communicate.

NO FAKE MAP PARTS!

There is no text!

No watermarks! This means both personal and program watermarks. I will make sure to properly credit you!

The only ocs that are allowed are in places where they are in the storyboard!

No tracing or using art without permission. No NSFW. APPLICATIONS ON THIS MAP ARE ALL BASED ON ART SKILL. It doesn't matter how popular you are!

DO NOT PRESSURE ME TO GIVE YOU A PART. That will result in you having no part at all.

THE DUE DATE IS OCTOBER 10TH! YOU WILL BE REQUIRED TO RESPOND TO WIP CHECKS! I will do them every few weeks but closer to the deadline they will come more often.

Who is your favorite character in this AU? That will be your codeword! There is no limit to how many parts you can get, but everyone might get 1-2 upon applying. Backups are unlimited!

PLEASE FOLLOW THE SHADING GUIDES! This is strictly a palletted map and it needs to be just the colors provided. Unless it is the dark forest background, there should be no blending of colors (this does not apply for thumbnail entries)

Resolution is 1920x1080!

Please follow the storyboard and script! Me and my team worked very hard on it!

I don't mind any greenscreen transitions! It makes everything look cooler

THIS IS STRICTLY A PMV/AMV MAP. NO STILL FRAMES/IMAGES!

**PLEASE DO NOT MAKE UP OR CHANGE THE DESIGNS IN
YOUR PART IN ANY WAY!**

That should be about it! If you have any questions, just let me know!
