Debate Tournament Schedule

- You may need to use a computer to properly access the above link for the first time.

Additional Information

- All debaters and their guardians are required to download **Remind App**. The join class code is @d8tonka. This is how you will be able to receive team updates & is necessary to register for tournaments!
- Parents should also join our Facebook group www.facebook.com/groups/1331839494219939
- Each debater is required to provide a volunteer judge at least **ONE - FOUR times** in the season in order to compete. A registration must occur BEFORE they can compete. Thank you for your help which makes it possible for us to attend tournaments! We will provide judge training. Judges will be compensated for any tournaments beyond the first two..
- The volunteering commitment is only counted AFTER you've judged. Helping out the Minnetonka Debate Tournament counts as 1 judging obligation. This is required for the team to keep up with entries into the tournaments. Failure to complete at least 1-2 judging obligations would lead to your child not entered into any future tournaments.
- Download/view the Transportation Release Form at http://ss-resource.wordwareinc.com/resources/1976/files/Transportation_Liability_Releasev2.docx
