

Snoo: We did it, Reddit! The interview is live!

Orbot: Wonderful! Yotsuba, is everything good on your end?

Yotsuba: Yeah!

Cubot: Clover, are ya ready?

Clover: *You scratch your head. You realized an interview would be harder than you thought.

Just then, a tiny flower popped out of the ground.

Flowey: Hi! I'm Flowey! Flowey the Flower! I'll be speakin' for our buddy here, since they uh, well you know.

Yotsuba: Hi!!!

Orbot: Oh, that makes things much easier! Thank you. Question 1, what do you think of your loss, and follow up, what do you think about your opponent?

Clover: *You spit on the ground in contempt.

Flowey: Oh, my buddy here isn't too fond of the car. Says he reminds them too much of "the mean folk back home".

Orbot: Oh my, that's interesting. And Vibri?

Clover: *You grin. You're prepared for a nice, pleasant match.

Flowey: Oh! It seems they think she's actually... really nice. Shocker.

Cubot: Shocking? I didn't know anyone disliked Vibri!

Flowey: She tried to pull me out of the ground!

Snoo: Cringe. I'm downvoting her.

Flowey: Go take a shower.

Snoo: What are you, my mom?

Cubot: Wait, are you?

Flowey: Wh- No!

Clover: *You reach out to calm down Flowey.

Flowey: You're right, sorry. Next question?

Orbot: Understood. What do you think your chances are of getting through losers?

Clover: *You grin the widest grin you have in a long time. **You're filled with Justice.**

Flowey: Heheh, Clover definitely is confident in that. I am too! This kid is gonna go far.

Cubot: Awww yeah, Pardner.

Clover: *You cocked an eyebrow at the robot's cultural appropriation.

Orbot: *Anyways*, last question! Clover, how did you get access to a real pistol when you're a child?

Clover: *You chuckle.

Flowey: I don't think that's- oh! Clover says it's tradition where they're from.

Cubot: That makes sense.

Orbot: Well, any final remarks you two?

Clover: *You shake your head no.

Flowey: Not that they're telling me.

Cubot: Hey, are any of us gonna mention the giant robot fight that happened yesterday?

Snoo: Doesn't this guy just do that?

Cubot: Oh yeah.

Yotsuba: Bye!!!
