

DISABILITIES - URGENT ACTION NEEDED!

The following U.S. Senators need to hear from constituents! These are Senators that disability advocates are asking to sign onto a Dear Colleagues letter from Senator Duckworth to stop any effort at an HR 620-type bill moving forward in the Senate. Please call, or ask someone to call for you. Here is what to say:

“Hello, my name is ____ and I am asking the Senator to sign the Duckworth Dear Colleagues letter about HR 620. When HR 620 passed in the House, it sent a message to people with disabilities that we are not welcome in our communities. Please contact Senator Duckworth’s office and sign her letter today.”
