Did you know that in 4 simple steps on your phone, you could help C3 PTSA achieve our goal in raising $3,715 through the King Soopers shopping program WITHOUT donating a penny?

King Soopers partners with various organizations by donating 5% of every purchase YOU make. That means, by linking your account to C3, every dollar you spend at King Soopers, 5% will be donated BACK TO C3. It is one of the EASIEST ways to give back to the community which will ultimately HELP SERVE YOUR kids.

AND what's better? **Friends, family, neighbors, and colleagues can all sign up as well!** They won't have to do ANYTHING except spend 3 minutes linking their accounts and continuing to shop at King Soopers.

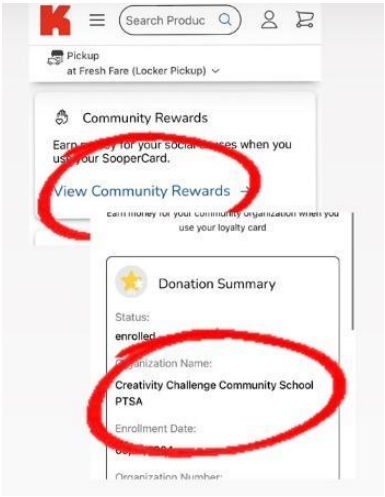

KING SOOPERS ONLINE

Open your preferred search engine and type in https://www.kingsoopers.com. Once you get to the website, sign into your account.

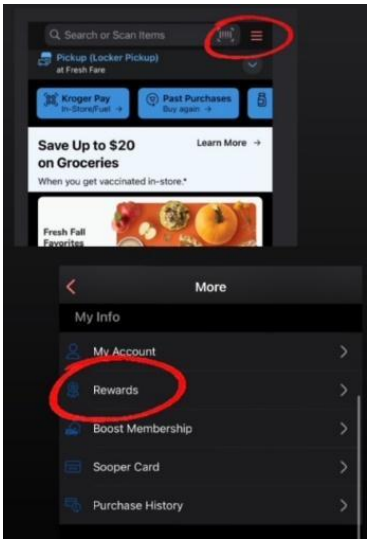

After signing in, click on the person icon at the top, then click on "My Account", as shown in the screen shot on the left.

Then click on "Community Rewards". The next page you'll search for "Creativity Challenge Community School PTSA" and connect your account.

KING SOOPERS APP

Open the King Soopers App on your phone and sign in.

After signing in, click on the top right button (which has your account information) as seen in the screen shot to the left. From there, click on "Rewards" under "My Info".

Then click on "Community Rewards". The next page you'll search for "Creativity Challenge Community School PTSA" and connect your account.

We appreciate your support!
