

WALLINGFORD PUBLIC SCHOOLS
PARENT - TEACHER ADVISORY COUNCIL (PTAC)
2025-2026

Dear Parents, Guardians and Families,

We welcome all of you as a member of the Parent-Teacher Advisory Council (PTAC) because we believe being partners in your students' education is important and that together we can accomplish more. As we kick-off a new school year, please join us to collaborate with administration, teachers, staff and the wider community to identify opportunities where we can work together to achieve common goals for the benefit of our Wallingford students and schools. Now more than ever, open communication and collaboration remain vital to our student's educational success. So, how can you help?...

Participate in and contribute to your student's school based PTAC:

School-based PTACs focus on issues of concern to your student's school(s). Meetings are open to all, occur either monthly or every other month starting in September or October and run throughout the school year. Please contact your school office for their meeting schedule to learn more. School-based PTACs are often looking for volunteer parent leaders as well, so if this interests you let them know and please get involved!

Participate in and contribute to System-Wide PTAC:

System-Wide PTAC focuses on issues that concern multiple schools or are of district-wide interest. Meetings are open to all and include parent representatives from each school-based PTAC. Meetings this year will occur monthly and be available virtually via the google meet platform to start the year. Please contact central office if you would like the link to be shared to join a particular meeting.
