Provide Greater Access to STEM Education to All Students

Temitope E.

Tutor

**Winner of the 2023 The First Internship
San Antonio Math Include**

Temitope is part of the Class of 2024 at Elsie High School. She is a Houston Community college Dean's list Honoree. She is proficient in programming languages such as Python, C++, JavaScript, HTML, and CSS. Additionally, Temitope is a student-athlete who plays soccer and a Career and Technical Education Student Ambassador. In this role, she has mentored over 50 students, helping them develop career plans and creating activities to enhance their understanding of computer science. During her free time, she loves to read mystery books, watch documentaries and crochet. Temitope is passionate about contributing to the educational advancement of children.
