

TeachRock Pricing Information

January 2024

As a non-profit organization, TeachRock is committed to offering the highest level of service and support to educators everywhere. Our clients in the world of education represent schools, districts, county and state departments of education, and private organizations providing educational and supplemental services.

TeachRock lessons are free to all registered users. We also offer specially curated resources, training, and support at an additional cost. Please contact TeachRock's Director of Programs and Partnerships, Gina Machado at gina@teachrock.org for further information or to schedule professional development.

What We Offer:

Full-Day Professional Development: Participants experience a full day of TeachRock. This experience is immersive, lively, hands-on, and fun-filled, and teachers are provided with a full breadth of TeachRock resources and lessons. Sessions are held in person only.
