

Hello Salmon Families!

Looking forward to seeing everyone at conferences! Just a few things...

Picture Day is this Monday, October 13th. Picture packets went home in backpack folders last week.

Our first **Field Trip** of the year is on **10/17** to Hopkins Demonstration Forest. This will be in lieu of a FFS activity/hike in CCNA. Please make sure to **pack a lunch for your student!** Also, it looks like the weather may shift next week so please make sure they are dressed appropriately for the weather. We will be outside for most of the day.

Second grade families can now find a link to **2nd grade UFLI homework** under the “Quick Links” section below or on our Salmon Website.

Please remember any **medication**, whether prescription or over the counter, **must go through the office**. This even includes cough drops and supplements. This is for your student’s protection as well as the protection of their schoolmates. Please feel free to reach out if you have any questions.

This week in...

- Second Grade Math: Unit 1 test; money- creating “wallets” and exchanging money (ones for tens, tens for ones, etc)
- Third Grade Math: Unit 1 test; intro to division

- Literacy: adding reasons *and* examples to strengthen your opinion essay; novel study of *I Survived the Eruption of Mt. St. Helens, 1980* – chapters 11-13
- Science: exploring flowers, pollen, pollination and pollinators
