Activity Guide - Personal Website Self-Reflection

Directions:

In the table below, complete the following prompts to help you reflect on how your personal website evolved since you started developing it.

<p>I am most proud of the following aspect(s) of my personal website:</p>	
<p>The biggest challenge that I overcame so far in making my personal website:</p>	
<p>Improvements I still want to make to my website are:</p>	
<p>If I knew at the beginning of this project what I know now, I would have started it differently by doing this:</p>	
<p>I would describe my effort level in this project as:</p>
