

Netherlee Nursery Class
Fri 27th February - Fri 3rd March 2022

Sapling

Children may engage in some of the following play experiences.

Spark: The children have been noticing numbers in the outdoor environment.

Focus: Natural Material Numbers

The children will be creating numbers from natural materials outside.

Spark: The children have been using gardening tools outside.

Focus: Spring Garden Tidy Up

The children will be using real tools to tidy up the garden for spring.

Spark: Children have been talking about how much things cost.

Focus: Shopping Lists

The children will be making shopping lists and playing with money. They will be role-playing with money and using it 'buy' items.

Spark: The children have been mixing colours to make new colours.

Focus: Sensory Painting

The children will be exploring their sense of touch by mixing paint and sensory materials such as sand, pasta and porridge oats.

Spark: The children have been reading books that are filled with numbers.

Focus: Number Recognition

Children will be using different books to help start conversations around numbers. They will then be trying to identify different numbers in the books.
