

Earth Day Tool Kit

Here are some ways to contact your representatives to support climate legislation this Earth Day!
Find your representatives using the links below. Their websites should include emails and/or phone numbers to contact them!

- US Senator
- US Congress Member
- State Representatives

LAYCA Earth Day Script

Dear (representative) (Last name):

My name is (your first and last name) and I am a youth who resides in your district. I am a member of the Los Angeles Youth Climate Activism team and am concerned with the growing threats of climate injustice and inequalities. We are asking our legislators to take immediate action this Earth Week to combat the climate crisis on a federal level and here in Los Angeles (or another city if applicable).

(OPTIONAL: Include a personal story. Tell your representative why the issue is important to you and how it affects you, your family or your community.)

Sincerely,
(first and last name)

This site has scripts and talking points for many issues - racial justice, climate change, equal rights, immigration, and more.

*** this website has not been updated recently - for example, it lists Harris as our CA senator when she has now been replaced with Padilla. Check your rep's website to make sure the contact information is still correct.*

The Green New Deal

Progressives in Congress are re-introducing the Green New Deal. Ask your representatives to support it!
