MIYAHELI SOCIAL INNOVATION CHALLENGE 2022

SELECTION CRITERIA

Representatives of CSOs (president/general secretary/ project staff) applying to attend Miyaheli 2022 must commit to attend the four-day camp (17-20 November) and have no objections to travel to the camp location.

CSOs must be willing to commit 6-8 months after Miyaheli 2022 to implement the projects if they are selected as winners.

Considerations are made for CSOs based outside of Male' City and to ensure equal participation of women led CSOs.

- ☐ Proposed idea or solution is novel and innovative
- ☐ Solution addresses a gap in the system and relates to a development issue
- ☐ Solution will bring about a clear impact for the community
- ☐ Proposed idea/solution is inclusive
- ☐ Builds on technologies or methodologies that are replicable or adaptable to different contexts
- ☐ Proposed idea/solution is financially viable and sustainable
- ☐ Proposed idea/solution has long term applications and is scalable

*Note: proposed solutions/project activities can be inspired by other ideas however solutions will be checked for plagiarism.
