EDUCATION

- **Bachelor of Technology (Information Technology)**   Greater Noida,India
  Noida Institute of Engineering and Technology, Greater Noida; **CGPA: 8.8**   Nov 2021-June 2025
- **Higher Secondary**   Prayagraj, U.P.
  St. John's co-ed school, Naini   June 2020

PROJECT

- [**EdVerse**](#) -It's a mobile application made on **Kotlin** integrated with **Firebase** for login(included with mobile otp and data storage**,** it's an edtech platform that's used to teach students in field of higher education in future we're planning to integrate it with AR/VR as the models have been created. .

- [**Portfolio Website**](#) - It is a website made by me using **HTML**, **CSS** and **JS**. It is a responsive website   August, 2022
  which means it adjusts the content and shows the website accordingly regardless of the device.

- [**BuzzNews**](#) - It is a news app made on **Android Studio** with **Kotlin** and **XML.** This app fetches news from   November, 2022
  an API and shows them in a recycler view in the form of cards which open news in the browser on click.

- [**Digital Humidity and Temperature Updater**](#)- It's an **IOT** based project. I've used a ESP board   November, 2022
  which gives a server when connected to **Wi-Fi** and DHT sensor which updates humidity and temperature data, coded a website using **CSS** and **HTML** uploaded it in the ESP board using **Arduino** and **C++**. When we connect the device and ESP board to the same wifi the website can be seen on the IP of ESP board.

TECHNICAL SKILLS

- **Technologies**: *Android studio, HTML, CSS, JS, Git, SQL.*
- **Programming languages**: *Java ,Python.*
- **Also familiar with**: *XML, Kotin, C++.*
- **Soft skills**: *Event organization, Public speaking, Crowd management, Team work.*

ACHIEVEMENTS/CERTIFICATIONS

- Solved **300+** programming problems on various coding platforms.
- [Codechef](#) **3 star** (rating **1683**). Ranked **150** in **CodeChef** Starters 23 Division 3.
- [Open Source Hacktober fest](#) , Successfully completed **hacktober fest** by contributing to various projects and merging 4 pull requests..
- Solved **Google Foobar** up to level 5.
- Completed [Internshala **Web-Development** training](#) with a score of 100 percent.
- [Hackerrank Certified](#): **Python, Java, Problem-Solving**.
- School level **Java Gold medalist** in Higher Secondary scored 1st position in school in Computer Application using **Java** .
- **State level**(Uttar Pradesh & Uttrakhand) silver medalist(2nd) in ASISC **Quiz** competition, 2019 and **District level**(Prayagraj) **Debate** silver medalist(2nd) in the same.

POSITION OF RESPONSIBILITY

- Management of fluent conduct of events organized by GGS(Green Gold Society), NIET
- Member of **GDSC** NIET chapter.
- Organized a coding competition in college for all Branches being a member of **CSI .**
