

IVS Conference: *Gateway to the Japan Market*

Kyoto, Japan | 04 – 06 July 2024

IVS 2024 Kyoto Conference, the biggest startup executive event in Japan since 2007, convenes in Kyoto from July 04th to July 06th at Kyoto Pulse Plaza. It connects over 5,000 startups, 3,000 founders, 1,500 investors, and 1,000 others. This transition from an "invitation-only conference" to a "platform" offers the next generation of entrepreneurs the chance to thrive in Asia. Explore Japan's heritage and latest innovations in Web2, Web3, and AI. The event also invites startups from all across the globe to participate in the IVS Launchpad, the Largest pitch contest in Japan. For details, visit the [event website](#).

Japan; a growing innovation Hub

Japan has emerged as a global leader in technological innovation and advancement over the years. Renowned for its prowess in robotics, artificial intelligence, and sustainable technology, Japan stands as a global leader in innovation. In the heart of Japan lies Kyoto, a city where ancient traditions meet with innovation. The Kyoto Venture Forum (KVF) is an innovative coalition of local entrepreneurs and city officials that has been instrumental in stimulating entrepreneurship and cluster development in the Kyoto region.

Key Benefits:

- **Japanese Visa:** Get an exclusive business visa for the world's 2nd strongest passport to freely explore the country.
- **Networking Opportunities:** Get a chance to connect with business leaders, global policymakers and cultural icons from all over the world.
- **International Business Expansion:** Platform for you to expand your business into untapped markets of Japan through networking with the relevant stakeholders.
- **Learning and Development:** Leaders from every sector will be sharing insights into the latest trends and technologies across industries..
- **Investor Access:** IVS2024 offers startups and entrepreneurs direct access to diverse investors through pitch contests for growth and expansion.
- **Business Promotion:** Promote your unique offering at pitch contest and showcase your services as an exhibitor
- **Employment Opportunities:** The Japanese government has signed a MOC with Pakistan for "Specified Skilled Workers," aiming to provide jobs for Pakistani youngsters in technology and IT, helping outsourcing companies place their talent.
