Objective Template – draft for each objective, then polish.

Name of Objective	
What will you do to address the issues described in the Problem Statement? How will the program change when you accomplish this objective? How is this program change addressing the issue?	
How will you use the funds to meet this objective?	
How is this objective aligned with region's SWP plan?	
How is this objective aligned with region's LMI info?	
What are the measurable outcomes of this objective that align HS programs to community college program and lead to high-wage high demand career opportunities?	
What are you doing to close equity gaps by improving access to and completion of high wage high skills CTE opportunities for the targeted demographic? Include student services designed to improve outreach and increase academic supports, such as tutoring, mentoring and WBL.	

Objective Checklist

Ask these questions for each objective.

- Has this objective been mentioned in the problem statement? (if not, add it)
- Have you created an objective for each issue in the problem statement?
- Does each objective identify what will change about your program?
- Do you state in general how you will use SWPK12 funds (What are you going to do)?
- Do you identify how the objective is aligned with your SWP Regional Plan?
- Do you state how the objective is aligned with LMI Info?
- Do you identify measurable outcomes leading to community college and high-wage, high-demand careers?
- Do you indicate how you will address inequities to serve your targeted population?

Data Sources

To remain current, all of the eight Regional Plans are revised every four years and updated annually through collaborations between the community colleges, K–12 LEAs, industry leaders, workforce development agencies, and other workforce development stakeholders. The Regional Plan for each Regional Consortium are located at the following websites:

- Bay Area – Strong Workforce Program Regional Plan
- Central/Mother Lode – Strong Workforce Program Regional Plan
- Inland Empire/Desert – Strong Workforce Program Regional Plan
- Los Angeles – StrongWorkforce Program Regional Plan
- Orange County – Strong Workforce Program Regional Plan
- North/FarNorth – Strong Workforce Program Regional Plan
- San Diego/Imperial Counties – Strong Workforce Program Regional Plan
- South Central Coast – Strong Workforce Program Regional Plan
