Attendance Awareness

**Support your child to be
successful in school**

Help your child understand that school is their very first job!

- Make great school attendance a priority for your child.
- Talk to your child about the importance of daily attendance in every class and how it helps his/her learning.
- When students miss so much school they will not be prepared for Kindergarten, learning to read by the third grade, failing courses in middle school and dropping out of high school.

We are grateful for the partnership we have with [Jet's Pizza on 24th Street](#) in Port Huron. **Jet's Pizza supports our attendance incentives at Cleveland, Roosevelt and Woodrow Wilson Elementary Schools** by providing a pizza party to the class with the best attendance each month. Thank you, Mike Morris of Jet's Pizza, for continuing this program for our students!

President John F. Kennedy created **National School Lunch Week** (NSLW) in 1962 to promote the importance of a healthy school lunch in a child's life and the impact it has inside and outside of the classroom. This year, [National School Lunch Week](#) is being celebrated October 9-13, 2023.
