

Treaty of Union of the City-State of Azimuth and the Kingdom of Icenia

1. Introduction

We, the representatives of the entities whose signatures we have provided herein, do commit to entering into a personal union for the purpose of co-prosperity.

2. Dominion Agreement

The City-State of Azimuth agrees to enter into a Union with the Kingdom of Icenia, in which it shall become an Icenian dominion with a territory of 180 x 168 meters surrounding Flail Lake; the position of which may be found on this post:

https://www.reddit.com/r/CivEx/comments/6e6ks9/notice_of_claim_of_territory_for_the_citystate_of

The current President of Azimuth shall relinquish the title, and shall be appointed Governor of the City-State of Azimuth.

3. Regulations of Citizenship

All present and future citizens of Azimuth shall be granted Icenian citizenship, and shall have all attendant rights, privileges and responsibilities thereof.

4. Powers of the Governor

The Governor shall have the power to:

- a) perform any actions required to uphold present treaty obligations,
- b) with the consent of the Icenian government, sign treaties,
- c) regulate settlement and citizenship within its territory,
- d) issue separate but equal Azimuth citizenship,
- e) pass laws within its territory, so long as they do not conflict with Icenian law,
- f) bring legal action against any Icenian citizen in the name of the City-State of Azimuth,
- g) take action to maintain law and order in its territory, and
- h) utilize any other power granted to it by the Icenian government.

5. Regulations of Prisoners

The City-State of Azimuth shall, on the request of an authorized magistrate of the Icenian government, immediately remit any person in their territory to the custody of the Icenian government, unless such person has lawfully sought political asylum.

6. Signatures

Signed by King Droid on behalf of the Kingdom of Icenia

Signed by President DerpField on behalf of the City-State of Azimuth
