2026 Horizon High Jazz Festival

Both the CMS Jazz Band and CMS Jazz Ensemble are excited to participate in the 5th annual Horizon High School Jazz Festival. Please return the attached permission slip by Thursday November 12th. We do have to charge $20 in IC to cover registration fees. When students are not in their warm-up, performance, or clinic they will be watching other groups perform in the HHS Auditorium. Spectators are welcome and there is no cost, make sure to park in the back lot (North West side of HHS) and enter through the Auditorium entrance. I would love for at least one "Chaperone" to volunteer to sit with the students while the other group is performing (super easy!!! the Chaperones do not have to ride the bus, but they can...), just send me an email if you are interested/willing.
