

Algebra 1 Part 1: Week 7 Remote Learning May 11-15.

Hello all! Welcome to week 7. Now we will finish the second half of 3.5: Graphing in slope intercept form.

Assignment: *3.5 Day 2 WS Calculators are fine for this worksheet, but please make sure to go slow and check your answers. You will want to show any work on a separate sheet of paper, There will be a space to upload your work in the classroom.*

Notes: I put the NEW 3.5 Day 2 notes on the classroom! Under “week 7” and “notes” so you can find them. I also posted a video of me explaining the notes and working through the problems. PLEASE WATCH THIS VIDEO.

Optional Zoom meeting will be Thursday at 2pm. Please come with any questions you have and I will do examples and help clarify anything!

If you have questions or concerns PLEASE EMAIL ME! kzehr@msd.k12.or.us
Stay safe and healthy!

Ms. Zehr.
