

Thank you so much to all of our donors for helping to support our Conservatory students in their production of Pippin. With your generous support and kind gifts, the Master Summer Theater Arts School were able to perform on the A.J. Fletcher Opera Theatre. This gave the students an unforgettable opportunity to perform a Broadway-level production at the Duke Energy Center for the Performing Arts. Thanks to your donations and continuous support, we can provide these exhilarating opportunities to our students year after year, while also enriching the Triangle community with top-level performances.

Glowing reviews have rolled in for the students' production. Just check out these interviews on Broadway World and Triangle Arts and Entertainment!
