

Shelby County Alcohol, Tobacco, & Other Drugs Summit - April 11, 2025

Join us in educating future professionals about the latest data and actionable steps to reduce unnecessary ATOD-related deaths, as well as raising awareness of available resources in Shelby County. This sponsorship is a valuable opportunity to promote your agency to both recent college graduates and established professionals in the field.

Your support helps us maintain free registration for all attendees and enables us to continue providing free treatment referrals and clean medical supplies to at-risk clients.
