

Your Future

- What do you think you will do in the future, after you finish high school? Explain.

After I finish school I will	go to the army	because	my draft is in the summer.
	enroll into the university studies		I want to get higher education first of all.
	travel abroad before the army services		I've always dreamed about it.
	do a year of national service before going to the army		I want to make a difference and have a meaningful life.
	find a job to gain some working experience		my draft is only next year.
	have some rest and enjoy myself for the time being		life is short. We have to get the most of it.

- Do you think it's important to continue studying after high school? Explain.

Yes, I think that	it's important to continue studying after high school, because	if you have education you have more choices.
		it makes you more adjusted to the life challenges.
No, I don't think that		you don't have to study to advance in life.
		today there are lots of highly-paid jobs that do not demand higher education.

- Tell me about a job you'd like to have in the future. Explain why.

I want	to be	a doctor		because	I want to save people's lives.
		a paramedic			I want to help people in trouble.
		a social worker			I believe in social justice.
		a firefighter			I want to work with children.
		a lawyer			It's an interesting area.
		a professional	(football) player		I play football in ...
			singer		I'm good at sports.
	dancer		I love it and do it well.		
	to work	in high-tech			I have been studying it for many years.
		in police			it's interesting.
to start my own business				it pays well.	
					I want to answer to no one but myself.
To tell the truth I haven't made my mind yet					I think I have lots of time to decide.
					I'm good at many things and can't decide what is best.

- What qualities do you have that would make someone hire you for this job? Explain.

I am	athletic	I think	this quality makes	me a valuable addition to any team in any area I'll choose.
	hardworking			
	compassionate		these qualities make	
	trustworthy			
	responsible			
	artistic			
	a good leader			

- How can your school major help you in the future? Explain.

I major in	biology	It won't	but I like studying it.
	physics		it was just the only option for me.
	chemistry	I don't know but, hopefully,	it will help me in my future studies.
	cyber		it will be my future profession.
	psychology		it will help me to open my own business
	arts	I believe that	it will help me to open my own startup.
	mechanics		it's important for my university degree.
	aerodynamics		it will help me in my inter-personal relations.
	social science		it has already improved my communication skills.
	construction		it has helped me make friends with people who have similar interests.
	hotel business
