

Joel, A Minor Prophet, is the HUMAN of the Bible Reflection for the month of August.

Have you ever wondered what your name means? Did you find out the special definition of the names you chose for your children? The Hebrew names we see in the Bible have such impactful and profound meanings. THE LORD IS GOD is the meaning of Joel- our HUMAN of the Bible Reflection for August.

My research showed that “Joel” is from Hebrew origin. Joel is translated from the Hebrew words Yah and El, combined. Yah is a shorter version of Yahweh. Biblically it means the God of the Israelites. While the name El means God. Thus, THE LORD IS GOD is the magnificent definition of the Prophet, Joel.

It seems to be such a great gift to carry a message as this within a name. There are many Scriptures that references THE LORD IS GOD. These three passages really stood out to me to complement this definition.

Psalm 100:3 NKJV

Know that the LORD, He is God; It is He who has made us, and not we ourselves; We are His people and the sheep of His pasture.

Deuteronomy 4:35 NIV

You were shown these things so that you might know that the Lord is God; besides him there is no other.

I Kings 18:39 KJV

And when all the people saw it, they fell on their faces: and they said, The Lord, he is the God; the Lord, he is the God.

Not all of our names have a meaning that is so powerful and edifying to our God. Yet, we can proclaim that wonderful, matchless name in praise, proclamation, and presentation of our testimony. There are opportunities to do this- we only need to ask the Lord to show us the right moments, then obey. The Holy Spirit will lead us in the way we should go.
