MCV/CIR-01/2026-27

31st March 2026

Subject: **New Session 2026-27**

Dear Parents
Greetings!

We are going to begin our new academic session (2026-27):

Classes 6 to 10 - 1st April 2026 (Wednesday)

Nursery to Class 5 - 6th April 2026 (Monday)

The school timing will be:

Nursery, KG1, KG2 - 9:20am to 1:00pm

Classes 1 to 5 - 9:20am to 2:40pm

Classes 6 to 10 - 7:55am to 1:15pm

Fee Structure and Book List are already shared with you in the respective class WhatsApp group. **There is no change in the bus timing.** Kindly be at your bus stop on time.

On the first day of school we will be trying our best that our buses turn up on time, but if by any chance, any delay or any confusion arise we apologize for it in advance. Please cooperate with us during the first week of school as new students are also joining in and we may have to reschedule the bus timing and bus stops. Please be at the nearest bus stop at least 5 minutes before the regular timing to avoid any delays.

We request you to kindly send your child daily to school from the first day itself. A day missed creates a hindrance in the progress of your child, thus making your child lose interest in the topic being dealt with.

Pay the first installment for the academic session 2026-27 before 10th April 2026 to confirm your admission for the academic session 2026-27.

Those who have not collected the Report Card should collect it from the school by Friday 10th April 2026.

The Report Card will be handed over only to the parents or the guardian (with an application from parent) of the child.

Together let's make this a wonderful new school year!

Regards
Abraham Joseph
