Friends of Chester Park: $1,372

Motion to approve treasurer's report

Tania Del Rio provided an update on Mass and Cass and answered questions from attendees. Part of winter strategy is expanding donation requests. Donations currently accepted at 24 Atkinson Street: gloves, socks, winter coats, hats, hand warmers, new underwear. Tania will share info with our group when they determine new drop-off spots.

Bob Barney and others are planning to put wreaths on the light poles along Mass Ave; it costs $1,000 (including our block). They will ask BMC and Northeastern for money, and they are looking for donations from us as well.

We approved two motions:

1) Motion to support the idea of continuing the decorations proposed by the Mass Ave Coalition

2) Motion to propose that members donate to the decorations proposed by the Mass Ave Coalition and Chester Square Neighbors will match those donations up to $250 total
