(https://docs.google.com/document/d/1o_H-vEGeQcgCvKKrfl1djYfKWdSt4cWw0MhIKT0JfYQ/edit?usp=sharing)
1. (Need to review minutes for future meetings)
 2. Time keeping, 10 minutes per item

Old Business

II. Plagiarism Policy

- A. Review of previous discussion
1. Looked at previous minutes and reviewed minutes.
 2. Needs to be reviewed by RJ/Discipline committee.
 3. Recommendation that committees meet once a month
 4. Develop committees and have Discipline committee go over the Plagiarism Policy
- B. Consideration of motion to develop policy
1. Motion (Ben), Second by Morales. The RJ/Discipline committee will come with a proposal for next meeting. (No objections - Passed)

New Business

III. Bell Schedule for 2023-2024

- A. Continuing 2x8 for PE/Science or using waiver for 4x4
1. PE has a state law that requires students to meet a certain amount per week.
There is a waiver that allows to skip weekly requirement. Part of the waiver requires 18 weeks per semester and activity monitor. Students need to keep track of activity. Marching dynamic and sports hurts since underclassmen need to be scheduled in Science and PE.
- B. Advisory inquiry [[LINK to Advisory Inquiry Results](#)]
1. Having content is a plus
 2. Tough with navigating breakfast too
 3. Need an admin champion
 4. Difficult with multiple languages
 5. Too tough to have circles, ppl are trained but timing and space is too tough
 6. Students show limited interest when content is not relevant to their lives
- Requesting more inquiry around advisory from students and teachers.
 - Talking to teachers about opinions of advisory (reaching out)?
 - Survey inquiry for teachers to not remove instructional time

- “Spot checking” advisories to see whats working in classrooms

IV. Special bell schedules for Spring 2023

A. CAASPP Summative Testing (May 15th - 26th)

1. No Proposal. Need to vote on it in February
2. CASSPP is May 16th & 18th English. These are minimum days testing schedule for senior defense
3. Math: 23rd a bank day and 25th reg. day
4. CAST May 19th (science)
5. Work with Schallert and Ms Danellis
