

Objective: get people to buy the special offer.

Special offer: 2 sessions and 2 recorded guided meditation plus a consultation call to plan out the sessions better for \$397. Usually he does one session for \$297 so it's a big discount.

Who am I talking to?

- Very spiritual people, like the ones who constantly talk about frequencies, aliens and ancient cities and stuff
- They are very hungry for answers to the questions they have. Like who were they in their past lives, what hidden talents might they have, what's their life's purpose, what does a certain memory that they had a flashback mean etc.
- Or they have some very big pain in their life that they think stems from the past. For example: unexplainable trust issues, irrational phobias, mostly feared based problems.

Where are they right now?

- They watched an ad on instagram/fb on why they should try plr
- Now they are interested in doing it bc at least one of the points caught them
- They might believe that there is more waiting for them and they should tap into more of their potential
- Or that they can solve some great issue that's been unresolved for a long time

Where do I want them to go?

- Pay the special offer

What do they need to experience?

- Grab attention with doubling down dream state
- Amplify desire
- Show testimonials
- Introduce Jon
- Create Urgency
- Price Anchor

For those ready to transform their spiritual growth to the next level...

Discover your next step of your spiritual journey with Past Life Regression by connecting with your Higher Self!

Whether you're waking up with a smile every day or facing the toughest challenges of your life, you're here because you have the urge to grow.

And that's wonderful!

Growth is what makes or keeps you smiling day after day!

I've had the honor of witnessing countless genuine smiles through my practice. These experiences have taught me valuable lessons on the most effective ways to heal people.

All of these people experienced at least 2 of:

- **Healing of Unresolved Issues:** They addressed and healed traumas and phobias rooted in past lives.
- **Gaining Clarity:** They understood recurring patterns and relationships in their current life.
- **Spiritual Growth:** They deepened their spiritual understanding and personal development.
- **Curiosity and Exploration:** They satisfied their curiosity about their soul's journey through time.
- **Enhanced Self-Awareness:** They discovered hidden talents and strengths from past lives.

Testimonials

I'm working with only 15 people to ensure high-quality, personalized sessions. You'll receive:

- **A Consultation Call:** In this call you will get to share your unique challenges, perspective and goals allowing me to craft you a personalized experience.
- **2 Past Life Regression Sessions:** Tailored to your unique challenges and perspectives.
- **2 Self-Guided Hypnosis Audios:** For stress management and energy clearing, enhancing your healing journey and boosting the effectiveness of the PLR sessions.

Normally, two of these sessions are \$600. But for a limited time, I'm offering them for only \$397.

Act quickly—this offer is only available for the first 15 people, and I may not offer it again.
