

ABE STUDENT ATHLETE CODE OF CONDUCT

Congratulations. Welcome to Aberhart Athletics!

You are now a member of our high school athletic program, with high expectations, immense time and energy commitments and a rich tradition of success, both in the classroom and on the court/field. Take PRIDE in your conduct; RESPECT yourself and others, and seek EXCELLENCE in everything you do.

Welcome to **ABERHART ATHLETICS**.

You have been chosen to represent William Aberhart on the Junior Boys' soccer team.

The expectations for all students outlined in the [CBE Code of Conduct](#) was reviewed with you during school opening and it your responsibility to ensure you understand expectations fully. There are special responsibilities and requirements that accompany being a student-athlete and representing Aberhart.

1) Academics: Academics are the most important aspect of high school athletics. The expectation is that its student-athletes to attend and be on time for classes. Regular attendance is mandatory.

2) The Team before the individual: All decisions and actions will be made with the team's best interest in mind. All players must understand their role so the team can achieve success in reaching their goal.

3) Team Conduct:

- Be gracious when you win or lose
- Obey the rules of the game
- Work for the good of your team
- Accept officials decisions with grace
- Believe in the integrity of your opponents
- Applaud the efforts of your teammates and other teams at Abe
- You are a leader! Drinking, smoking/vaping, drugs and misuse of social media fall outside of Student Code of Conduct expectations.

Any behaviour that is inconsistent with the above expectations may affect the student-athlete's continued participation on the team.

ATHLETES

- You are expected to perform at the highest level you are capable of academically. Failing grades is a concern and a meeting with the student, coach and teacher (s) to discuss strategies is important to maintaining good standing on the team
- You are expected to maintain excellent attendance and be on time for your classes. Missing classes without an appropriate reason during the day means no games or practices that day unless an arrangement has been made with the coach.
- You are expected to demonstrate leadership and cooperation in classes. Your teacher should know that they can count on you to demonstrate a high level of citizenship and do you best at all times.
- As an athlete, you are representing yourself and Aberhart at all times with tremendous sportsmanship. We expect only the best behaviour at all times and in every circumstance.

I _____, an athlete at Aberhart, recognize that there are high expectations of my conduct both during competition and in school life. I agree to adhere to the above expectations to the best of my ability. I understand that if at any time I do not live up to the expectations above, my continued participation on the team may be impacted.
