Privacy Policy for Bible & Wisdom

Last Updated: July 18, 2026

This privacy policy governs your use of the software application **Bible & Wisdom** ("Application") for mobile devices. The Application is built as an ad-supported service and is intended for use as-is.

1. Information Collection and Use

We do not collect any personally identifiable information (such as your name, email address, or phone number) when you use the Application. All user data, including reading progress, favorited scriptures, or local settings, is stored locally on your device.

2. Third-Party Services & Advertising

To fund development and offer the Application for free, we use third-party advertising services. These services may automatically collect anonymous diagnostic, technical, or device tracking information to serve personalized or contextual advertisements.

Specifically, this Application integrates:

- **Google AdMob:** Used for displaying banner, interstitial, or rewarded advertisements. AdMob may utilize advertising identifiers (such as the Android Advertising ID) to serve relevant ads and monitor ad performance.

For more information on how Google manages advertising data, please review the [Google Privacy & Terms Policy](#).

3. Data Safety & Security

Because we do not collect personal data, we do not store, share, or sell your personal information to third parties. Security of your device data depends entirely on the built-in operating system security of your mobile phone.

4. Children's Privacy

The Application does not address anyone under the age of 13. We do not knowingly collect personally identifiable information from children under 13. If you are a parent or guardian and you are aware that your child has provided us with personal information, please contact us so that we can take necessary actions.

5. Changes to This Privacy Policy

We may update our Privacy Policy from time to time. You are advised to review this page periodically for any changes. Any updates are effective immediately upon posting to this document.

6. Contact Us

If you have any questions or suggestions regarding this Privacy Policy, do not hesitate to contact the developer directly via your Google Play Console support contact email.
