The Home Depot
Att: Tiffany
Riverton, Utah 84065

Dear Tiffany,

Riverton City has come to depend up the Boy Scouts of America to paint and maintain their Fire Hydrants throughout the city. I have chosen to participate in this project with the city. They have assigned my troop fifty-one (51) Fire Hydrants to paint.

I have divided my troop into multiple teams and we will need 10 paint brushes for this project. We plan on using the most economical brushes available that can be used with an oil based paint. A combination of 3" and 4" paint brushes would be best.

I was hoping that The Home Depot could contribute to this effort by donating the 10, or a portion of the 10, paintbrushes to The Boy Scouts of America for this Service Project. My troop (582) is associated with the Wasatch Peaks District and Karen Capson, the District's Advancement Chairman, has approved my request for this donation.

I would like to thank-you in advance for your time, your consideration, and your generosity.

Sincerely,

Trenton Griffiths
