

1. Copyrights, Intellectual Rights and Use

- Commissions are for personal use only. You may post your commissioned artwork on social media etc. with full credit to the artist. Do not share my artwork as your or anyone else's own.
- You may not redistribute my artwork in a way that will profit you or anyone else, feed my artwork to any artificial intelligence, or use it for NFTs.
- I'll ask first if it's okay to post commissioned artwork in my portfolio and my social media.
- You will still own the rights to your character portrayed in my artwork, and I will fully credit you when posting my artwork of your character.

2. What I Will and Won't Draw:

- I will draw **original characters** and **creatures** (humanoids, animals, anthropomorphic, etc).
- I will draw **gore, violence** and **NSFW** to only if I am comfortable with.
- I will draw **fanart** of any shows or other media.
- I will draw real **people or pets**
- I will **NOT** draw any fetish content.
- I will **NOT** draw active any violence against animals or children.

3. Contact and Communication:

- You're free to contact me on all my social media websites, Artistree. Discord or Email about a commission request.
- I always try to respond within 24 hours of your message. If this does not happen, please try to contact me again the next day. I apologize in advance if this happens.

4. Payment and Refunds:

- I accept payment via Paypal
- The price will be the same in Euros and US dollars.
- Commissions are paid 50% upfront, 50% after the art work is finished.
- The client will be given 24 hours to provide payment after a quote is given. If payment is not provided within 24 hours, the commission will be cancelled.
- Commissions cancelled before I've started working on them will be fully refunded.

5. Workflow and Delivery:

- All artwork will be delivered as a full resolution .png image. No physical artwork is delivered.

The drawing process usually takes 2-3 weeks. I will be in touch with you if there is a delay in delivery.

- I start the commission process with 3-5 sketches, and once the sketch is approved, I continue to finish the commission artwork. I will be in touch if I have any questions about the artwork.

- You can always give criticism and make improvements to the commissioned work.

- The commission can still be changed after approval, including the sketch stage, but major changes may increase the price slightly.
