Learning Intention & Success Criteria Protocol (LISC) & Unit/Domain Planning Tool

Learning Intentions: I am/We are learning... So That...

Success Criteria: This is how I/we know I/we have learned it:

Domain/Unit Planning Protocol for LISC

1. **Look at the curriculum guide to identify essentials for the unit,** and which assessment questions should be at proficiency from the end of unit assessment.
2. **Review the assessments and** identify what standards are being assessed for each question
3. **Develop each lesson's learning intention,** putting into words that work best for your students
4. **Create success criteria** based on each lesson activities.
