

Board Meeting Recap — July 2026

Here's what your UHCA board covered this month.

****Finances are healthy.**** We're on solid footing, with reserves held in CDs maturing early next year — a world away from where we stood two years ago. We're keeping things simple with one central account and clear fund tracking.

****A new home for meetings.**** With the Birney construction underway for the next few years, we've partnered with the HSI Temple, whose motto — "Temple in the Community, Community in the Temple" — says it all. Their spacious first-floor room (with a kitchen!) will host our monthly gatherings. Huge thanks to our new friends at the Temple.

****A member perk in the works.**** We're exploring a University Heights discount card that would get you deals at participating neighborhood businesses — a real, tangible thank-you for your membership. Still working through the details, so stay tuned.

****Fall and winter are stacking up.**** Save these dates:

- ****Aug 6**** — Summer concert at Park & Rec (with pizza from Sonny's). Sign-ups coming soon.
- ****Sept 19**** — Puzzle event at the library.
- ****Sept 26 (6–9pm)**** — Movie night in the park featuring **ET**, plus a Thriller dance flash mob, bake sale, and food trucks.
- ****Oct 17**** — Fall Fest is getting bigger: we're joining forces with our neighbors to fold in Taste of University Heights and celebrate our local artists.
- ****Halloween (Saturday)**** — Trick-or-treat on Park. We're recruiting volunteers to keep the crossings safe.
- ****Dec 12**** — Caroling + Winter Walk (combined this year).
- ****Dec 13 (5:30pm)**** — Holiday Lights bike ride, walk, and run, plus our annual lights decorating contest.

****Elections are coming.**** Nominations open in September, with voting in October. Interested in getting involved? We'd love to have you.

****Coming up at community meetings.**** September brings a recycling program with I Love a Clean San Diego, and October revisits Zone Zero fire safety — this

time with practical, balanced guidance from the fire department, insurance, and local nursery experts, including tips for renters.
