

Four five-page papers should be submitted. Each paper must be numbered and should be labeled as follows:

1. Description
2. Narrative
3. Exemplification
4. Classification/Division

Put your last name on the upper right of each page, along with the page number. On the upper left, the paper type should be identified (descriptive, narrative, etc.).

Example:

---

Exemplification

Rivera 3

Put the original paper in each category (corrected by instructor) on the bottom of each five-page paper. All corrections marked by the instructor must be made in the top version. None of these errors should be repeated.
