NOTICE:

Due to the sheer number of people who applied for other MAPs under Kody's socials and other's, we are wary of those who are underage. Anyone who is caught that is under the age of 13 attempting to join this MAP or any of the host's MAPs will be promptly kicked and banned from participating and being in the servers. Those who are in violation of the rule of 13+ only have already been notified that they are not allowed to join. All hosts will be aware of these members. Additionally, please be aware to read the document in full to ensure you understand the art direction and rules.

APPLICATION RULES

Failing to follow the rules may result in not receiving a part and/or being kicked from the map.

Read them carefully!

It makes your chances of getting in much greater.

◆ **If you do not get picked for a part/backup do not cause a fuss.** Doing so will prevent you from being able to join any of my maps in the future and will result in a block. If you do not get picked there are always other maps, it's not the end of the world.

◆ **Discord is mandatory!** You must have a Discord account in order to participate in this map and *must* join the [Discord Server](#)! Please make sure you are 13+ before making an account and joining the server.

Being underage *will* get you banned.

APPLY IN THE FORM:

- ◆ **Please have multiple parts you'd like listed down.** This also includes being a backup. This makes your chances of getting in much greater!
- ◆ **Do not apply if you are/engage in racist/homophobic/transphobic/ableist/zoophilic/or other bigoted behaviors/topics.** This includes supporting anyone who supports/engages/encourages in these behaviors/topics. If you are found to participate in these behaviors/topics while having/receiving a part you will be dropped despite your progress and your part/s will be unused.
- ◆ **Once you have applied, comment on the map call to let us know!** It'll make things far easier to be notified when someone has applied. :D
- ◆ **Not important but I highly recommend collaborating!** I love seeing all of the neat collabs for map parts and it gives you a higher chance of getting into the map if you end up collaborating with one or more people on a part. This also means if somebody needs help you're allowed to offer to collaborate so long you let the host know you are going to collaborate with them.
- ◆ Apply [here!](#)

IMPORTANT RULES

- ◆ **No tracing/art theft in any way, shape or form!** If you are seen tracing and stealing another piece of artwork you will be dropped and kicked from the map and prevented from joining any future ones.
- ◆ **This map is AMV preferred.** Though if you do limited animation because you are short on time or that's what you prefer that is alright. Tweening/PMV is also allowed!
- ◆ **Please follow the color palette and references when making your part!**
- ◆ **If you need to drop, PLEASE LET US KNOW!** I cannot stress this enough! Dropping is totally fine and normal but *please* tell us if you'd like to drop, don't just ghost us and say nothing as it wastes everyone's

time. Even if you've just lost motivation, that's perfectly fine! No matter the reason there's no shame.

- ◆ **We have the right to refuse a finished part.** If we feel we need to, we may ask you to redo your part in the case that you have not followed the rules.
- ◆ **You MUST upload your finished part to Youtube AND Google Drive** so we may keep track of it and get the highest quality version of it.

GENERAL RULES

- ◆ **Please have your canvas size set to 1920 x 1080!** Or anything that is a multiple of that is alright. (e.g. 2840 x 1598)
- ◆ **Collaborations are fine and in fact very much welcomed!** Just make sure to let us know who you are collaborating with so we may credit them properly. Both/all parties must apply for the same part and specify they are looking to collaborate.
- ◆ **Add lyrics to your part.** The font must be **IMPACT**. The text can be any color from the palette. [Free font downloadable here](#)
- ◆ **Only use villain OCs that stand on four legs.** OC's from books are fine! Only use your own characters that are villains.
- ◆ **Stick to the palettes provided!** Not doing so will result in us asking you to redo your part or being kicked/dropped from the map.
- ◆ **Please draw characters with the correct colored line-art!** The lineart color can be found on the palette sheet.
- ◆ **No watermarks.** That includes watermarks from programs such as Flipaclip and Kinemaster. Please do not add your own watermark either, we will do that for you.
- ◆ **You can have a maximum of 4 parts!** This is just on your own. You are welcome to have more parts if you are collaborating with someone!
- ◆ **Green Screen is allowed.** However you **MUST** provide a version with and without the green screen just in case editing goes wrong.

◆ WIP spamming is highly encouraged! This lets us know that you are still alive and working on your part/s. This will also help us catch any errors or mistakes early on.

◆ Thumbnail contest is being held in the Discord Server! Anyone can join!
