Special Education Parents Advisory Council

Are you the parent or guardian of a student receiving Special Education at Lebanon Township School District? Are you looking for a positive way to share your ideas, concerns and input to the district on issues and topics concerning students with disabilities? Join our SEPAC team; a group of parents and educators working together to directly benefit our children and supporting the families of Lebanon Township.

The Mission and Goals of SEPAC:

- ❖ To work for the understanding of, respect for and support of all children with special needs in our community.
- ❖ To facilitate communication between parents, staff, the Boards of Education, and the community, regarding the districts' special education programs.
- ❖ To provide families with meaningful support, education and information.
- ❖ To be a catalyst and direct resource for the development and enhancement of services within Lebanon Township.

Who Should Attend a Meeting?

- ❖ Anyone with a student in the Lebanon Township School District with special needs and an IEP.

~Please note our meetings are casual, but informative. Share your ideas and suggestions or simply relax and hear about the latest information affecting special needs students. Help us in identifying topics that you are looking for. However, please note that these meetings are not the forum for a discussion about individual students or your child's IEP.
