

## EXAMPLE OF INTRODUCTORY E-MAIL or TELEGRAM MESSAGE FOR SAFESWAP LISTING

Dear x project:

I would like to introduce you to the YFDAI SafeSwap Exchange. Its an all in one solution enabling you to list your project on an exchange with other legitimate vetted projects that have the YFDAI seal of approval. Not just any project can list on SafeSwap. The project either had to go through YFDAI's LaunchPad, or pass YFDAI's vetting process to list on SafeSwap. By listing on SafeSwap, you get VIP access to YFDAI's tech services, and partners as well as priority access to YFDAI's impressive marketing team and influencers. Please take a look at the attached video and pitch deck which will provide further details.

To find out more, simply return the attached application form to : [safeswap@yfdai.finance](mailto:safeswap@yfdai.finance). Or to speak to the YFDAI team directly, feel free to message either [Jason](#) or [Richard](#) via Telegram.
