

(at a Journey concert, the whole cheering crowd is wearing van halen merchandise).

Lead Singer (I aint googling): Umm, sorry guys, are you...did you think tonight was a van halen concert?

Crowd: No no.Honest. No. These were a little cheaper

Lead: Oh! Oh well at least thats something

Crowd: When you buy in bulk...could you play jump now?

Lead: That's not our song

Crowd: Oh, but surely you know it

(the crowd starts humming and singing jump, with poor but enthusiastic dancing. Journey tries to get them to stop)
