## **HB25-1087: Confidentiality Requirements for Mental Health Support**

### **Implementation of HB25-1087**

On May 31, 2025, Governor Polis signed [HB25-1087: Confidentiality Requirements Mental Health Support](#) into law. The bill prohibits a peer support team member from disclosing the confidential communications made by the recipient of peer support during a peer support interaction with specified conditions. Furthermore, the bill expands an exception allowing specified mental health professionals to disclose confidential information when a recipient makes a threat against an individual or themselves.
