

LifeSciTrainers Feb Call I

Friday February 21st 09:00AM UTC (See in your time zone:

<https://www.timeanddate.com/worldclock/fixedtime.html?msg=LifeSciTrainers+Feb+Call+I&iso=20200221T10&p1=239&am=30>)

Moderated by: Jessica Lindvall, jessica.lindvall@nbis.se

Video conference link: <https://zoom.us/j/481304508>

Topic: Community updates and Governance

Attending (sign-up)

Please add your name, institution, and email if you want a reminder sent

Interested in giving a short (2-5 minute) update on something you want to share of interest to the community. Write the word UPDATE next to your name; we will fit in as many as we can.

1. Jason Williams, Cold Spring Harbor Laboratory
2. Nick Wong, Monash University, nick.wong@monash.edu
3. Peter van Heusden, South African National Bioinformatics Institute, University of the Western Cape pvh@sanbi.ac.za (Cape Town, South Africa)
- 4.

Draft Agenda

1. (5 min) - Introductions
 - a. All attendees, please introduce
2. (5 - 10 min) - Updates from community members
 - a. Short updates from any community member volunteers
3. (15 min) Review of governance documents, feedback and discussion
 - a. Steering Committee has proposed three governance documents
 - i. Project Vision ([link](#)) - why does this community exist?
 - ii. Code of Conduct ([link](#)) - how are community members expected to treat each other
 - iii. Community Governance ([link](#)) - what defines membership, and what is the role of the Steering Committee
 - b. What questions do you have about leaving feedback?
4. What would you like to see next from this group
