

The Honey Hiram Band is a Rock and Blues band based out of Austin. Formed in the jam Scene these individuals found themselves in a perfect storm. A driving force on the drums manned by Dustin Sether. A bass line so groovy it makes you dance by Mike Vasquez. A front man/ lead guitarist and vocalist Honey Hiram himself makes every night special. The group is a sight to behold and a spectacle to listen

to. Since their inception they've preformed at Maggie Mae's on legendary 6th street.
Half Step bar on Rainey st. For the Blues cat Festival.
Iconic Friends Bar located on 6th street.
King Bee on Historic E 12th street.
HEB for a variety of Festivals.
The Rah Rah room in San Antonio.
They are set to record their first album which will be a live album at Maggie Mae's on July 29th 2026.
