

No Chance – Regret by Lou Reed

It must be nice to be steady, it must be nice to be firm
It must be nice never to move off the mark

It must be nice to be dependable and never let
anyone down

It must be great to be all the things you're not
It must be great to be all the things that i'm not

I see you in the hospital your humor is intact
I'm embarrassed by the strength i seem to lack

If i was in your shoes, so strange that i'm not
I'd fold up in a minute and a half
I'd fold up in a minute and a half

And i didn't get a chance to say goodbye
No - i didn't get a chance to say goodbye

It must be nice to be normal it must be nice to be cold
It must be nice not to have to go oh up or down

But me i'm all emotional no matter how i try
You're gone and i'm still here alive
You're gone and i'm still here alive

And i didn't get a chance to say goodbye
No - i didn't get a chance to say goodbye

There are things we say we wish we knew and in fact
we never do
But i'd wish i'd known that you were going to die

Then i wouldn't feel so stupid, such a fool that i didn't
call
And i didn't get a chance to say goodbye
I didn't get a chance to say goodbye

No there's no logic to this - who's picked to stay or go
If you think too hard it only makes you mad

hello by Evanescence

playground school bell rings again
rain clouds come to play again
has no one told you she's not breathing?
hello i'm your mind giving you someone to
talk to
hello

if i smile and don't believe
soon i know i'll wake from this dream
don't try to fix me i'm not broken
hello i'm the lie living for you so you can
hide
don't cry

suddenly i know i'm not sleeping
hello i'm still here
all that's left of yesterday

Fire and Rain – by James Taylor performed by Bobby Womak

Just yesterday morning they let me know you were gone
Susanne the plans they made put an end to you
I walked out this morning and i wrote down this song
I just can't remember who to send it to

I've seen fire and i've seen rain
I've seen sunny days that i thought would never end
I've seen lonely times when i could not find a friend
But i always thought that i'd see you again

Won't you look down upon me, jesus
You've got to help me make a stand
You've just got to see me through another day
My body's aching and my time is at hand
And i won't make it any other way

Oh, i've seen fire and i've seen rain
I've seen sunny days that i thought would never end
I've seen lonely times when i could not find a friend
But i always thought that i'd see you again

Been walking my mind to an easy time my back turned towards
the sun
Lord knows when the cold wind blows it'll turn your head around
Well, there's hours of time on the telephone line to talk about
things
To come
Sweet dreams and flying machines in pieces on the ground

Oh, i've seen fire and i've seen rain
I've seen sunny days that i thought would never end
I've seen lonely times when i could not find a friend
But i always thought that i'd see you, baby, one more time again,
now

Thought i'd see you one more time again
There's just a few things coming my way this time around, now
Thought i'd see you, thought i'd see you fire and rain, now
