

Chicago Mask Bloc
December 2024 Fundraiser Financial Transparency Statement

Hello community,

Thanks to everyone who donated to our campaign, shared our fundraiser link, or interacted with our post! With your help, we were able to raise enough funds to cover the shipping cost for a donation of 2,700 KF94 respirator masks from Be Healthy USA. We've put together this financial transparency statement to let the community know exactly how the funds we raised were spent.

We raised $110 from our Givebutter campaign.

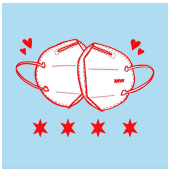

Our total shipping cost from Be Healthy USA was $110.

Since we raised exactly $110, we did not have any additional funds leftover from this campaign.

Screenshots for all transactions are provided in the remainder of this document. If you have any questions re: allocation of funds, please let us know!

As always, thanks for your support and for all you do to help keep our community safer from COVID.
